

Executor::Executor

```
graph LR; A[Executor::Executor] --> B[Executor::execute_pwd]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'Executor::Executor'. The right box is gray with a black border and contains the text 'Executor::execute\_pwd'. A blue arrow points from the right side of the left box to the left side of the right box.

Executor::execute\_pwd
